

CONNECT YOUR STUDENTS — TO THE BENEFITS OF THE — PSAT/NMSQT®

The Preliminary SAT/National Merit Scholarship Qualifying Test is an assessment administered to 10th- and 11th-grade students that helps prepare them for the redesigned SAT®, college, and a career.

Historically, students who take the PSAT/NMSQT® score higher on the SAT, on average, than those who do not.

Connect Your Students to Scholarships

The PSAT/NMSQT provides the opportunity for students (typically in the 11th grade) to compete for recognition and scholarships through the National Merit Scholarship Program. This program recognizes and honors academically talented students in the United States.

Additional partner organizations use data from the PSAT/NMSQT to enhance their efforts to reach a more representative group of eligible students from high schools across the country. These organizations represent nearly \$180 million in combined annual rewards.

Current active partners:

- ▶ American Indian Graduate Center
- ▶ Asian & Pacific Islander American Scholarship Fund
- ▶ Hispanic Scholarship Fund
- ▶ Jack Kent Cooke Foundation
- ▶ United Negro College Fund

Provide Free Practice for Students

All students who take the PSAT/NMSQT will receive personalized online SAT practice through Khan Academy®, based on their test performance. Our collaboration with Khan Academy offers students and educators:

- ▶ Personalized online instruction that complements great classroom instruction.
- ▶ Detailed information on student progress to guide next steps.
- ▶ Official full-length practice tests.

Access free, personalized SAT practice anytime, anywhere at satpractice.org.
